MEMORANDUM FOR: Chief, Communications Division, Office of
Special Activities

SUBJECT: [redacted] Telephone Access Requirement

REFERENCE: [redacted] 1194, Same Subject, dated
27 March 1969

1. This memorandum confirms discussions between [redacted]

[redacted] was contacted on the above require-
ment and additional information obtained.

2. Essentially, the request is for the Palmdale
Plant Manager (Lockheed) to possess a Los Angeles complex
(Area Code 213) line in his office. This will permit
[redacted] as well as other Project associates to reach
that facility by dialing a Los Angeles number.

3. The justification for this installation is consi-
dered reasonable. The Palmdale facility is becoming involved
more and more in such functions as listed here:

a. U-2 modification and major repair line.
(SAC and OSA requirements)

b. Continuance of U-2R flight testing as
may be directed by this Headquarters. This
was formerly performed from Hangar 3, North
Base, Edwards AFB, California.

c. "Home Base" for [redacted] during the
period of runway closure at North Base, May
through August 1969.
